

General Vegas 600 Payout Matrix

Exact payout dependent on the exact number of contestants subject to the following formulas. Championship, 1st and 2nd flight divisions will be determined by the Tournament management to optimize equalize group sizes and comperable scores.

The total number of recurve archers that win recurve only prize money will be subtracted from the number of archers in the prize money matrix.

1 to 20											
Archers	10										
Payback/Archer	\$ 35.00										
Total	\$ 350.00	1st	2nd	3rd
