Re: *Request for Scheduling Input  
for the 2009 Arizona Cup*

Friends:

We are trying to schedule the 2009 Arizona Cup and wanted your input. No date is going to make everyone happy, but we are attempting to make the best decision possible to not conflict with the tentative dates of many other tournaments.

2009 Background:

- NAA and NFAA Indoor Seasons extend into middle of March.
- FITA Indoor Championships is March 2-8
- NFAA Indoors is March 14-15
- Venue is not available March 28-29
- FITA World Cup Stage One is March 31 – April 4.
- Easter is April 12.
- NFAA Stanislawski Open is likely April 18-19 (guess)
- Texas Shootout is likely April 24-26 (guess)
- FITA World Cup Stage Two is May 4-9
- College finals are usually first two weeks in May.
- USIAC is likely May 14-17 (guess) (South Region?)
- Gold Cup is usually Memorial Day Weekend. (guess)
- FITA World Cup Stage Three June 2-7
- Somewhere in this time frame is 2009 World Team Trials??

As you can see there is not an obvious weekend for the AZ Cup.

Questions for you:

1. If AZ Cup was April 8 -12 (Easter weekend) would that affect your plans to attend?
2. If AZ Cup was March 18 – 22, would that affect your plans to attend?
3. If AZ Cup was May 27-31 (yes, it could be hot) would that affect your plans to attend?

Please send us an email with your preferences and comments to [info@arizonacup.com](mailto:info@arizonacup.com).

Sincerely,

Robert Pian
