Notice to top ranked US archers: We will be contacting you regarding the USA National Team for the 2008 AAE Arizona Cup National Team Event. This USA team will be based on the top three per category based on the final 2007 rolling ranking as of Dec. 31, 2007.

Notice to the Olympic Trials Shadow Team: The AAE Arizona Cup is a good chance to become familiar with the venue where the Final Nomination shoot will take place just a few weeks later.

Notice to Non-USA archers: Please start the VISA and Passport process early. Let us know early if you need a personalized invitation. Visit [www.state.gov](http://www.state.gov) for specific requirements.

April 2008 is an extremely busy month for National and International archery. We hope that you include us in your plans.

Sincerely,
