January National Mail-in Tournament for JOADs and Seniors

Time is running out to compete at your local club with an USAA 300 indoor round using JOAD rules and have your club mail-in the score. Teams are also encouraged.

The Mail-in Tournament is

an easy way to compete nationally without leaving your own city.

The Tournament is also a fundraiser for unfunded youth archers going to World Championships.

Arizona JOAD Indoor State Championship

JOADs and adults took part in record numbers at the *2009 Arizona JOAD Indoor Championship*.

The tourney took place at **Precision High School** in Phoenix. The venue was fantastic and included a spectator's balcony gallery which made for some great photos. The gallery soon became the popular place to be. The venue space was first rate with spectator bleachers, archer's seating and ample space for equipment and bow cases.

Target mats and stands were provided by **Papago FITA**

Archers and **Sun Devil Archery** at ASU. **AAE Cavalier USA** helped to sponsor the tourney and gave each competitor a package of fletchings, a finger sling and an arm guard along with an AAE Cavalier Catalog. The archer's bags included Arizona JOAD flyers and USAA College Archery Program brochures.

JOADs from Papago FITA Archers, Corner Kidz JOAD, Targeteers JOAD and PSE JOAD competed.

Precision High School volunteers served coffee, hot

chocolate, cookies and a BBQ hotdog and hamburger lunch (8+ volunteers) as a fund raiser for the school.

Special thanks to **Tom Jones** of Precision High School, school volunteers and **Bill Jones** for welcoming the tourney. Tom and his crew of dedicated volunteers also hosted a NASP Tournament the afternoon before the AZJOAD tourney using the same set up. Special thanks go to the **Van Patter** family for supplying the wood back wall protection for both tourneys.

There is still time to put together a JOAD team for the Arizona JOAD Vegas Showdown at the World Archery Festival.

Even if your JOAD club is not sending an official team, you can still be on a team that can compete. A United JOAD team can be put together if clubs or the parents will contact Linda Yturralde. lpelton1@cox.net
