

Our goal is to run the tournament timing as close as possible to this schedule, however, weather delays, protests, and/or other situations may arise beyond our control. The organizers reserve the right to modify the tournament format, if necessary. Announcements will be made at the field, during Team Meetings and posted at the venue and on the website.

The elimination rounds (OR rounds) competition may extend up to sunset on Sunday April 11, 2010. If the tournament is stopped before completion, then the current archer standings at that time will be considered final.

Our intent is that as many archers as possible will enter the Elimination Round. Byes may be granted as necessary. Categories with more than 64 participants will be cut to 64 archers.
