Nominated candidates for a term to 2014 and their candidate statements are below.

Vote for up to (3) three (including any write-in candidate) by marking the box next to the candidate's name:

**RICK BACHMAN:**

As many of you know I am fairly new to this sport. In the last year I have stepped up to become the President of Desert Sky Archers. In the last month I completed the Level 3 Coaches clinic and started down the road of judging also. I feel I can bring new ideas and enthusiasm to the board. Archery is about the archer, young or old. It is about enjoying a great sport. Arizona is the premier state for archery and I want it to continue to be that way.

**MIKE CULLUMBER:**

I have served on the ASAA Board for two terms. In that time there have been many changes to our sport, all positive. The ASAA has been a driving force in making sure that all of Arizona's archers are informed of these changes and I would like to continue this endeavor. I am also transitioning into a leadership role with the Arizona Cup and feel that it is important that the Arizona Cup have direct representation on the ASAA Board.

**SANDRA REYNOLDS:**

As the parent of a JOAD archer, who is a member of the Cadet United States Archery Team, my main goal is to support and encourage youth archers. I am an archer myself, shooting at a local level, as well as being a level 3 coach, coaching both adult and youth, an archery judge, at both local and national events, and the Arizona JOAD coordinator. I can best continue my support, of both new and experienced archers, by being on the Arizona State Archery Association Board of Governors.

**JOE SILVASI :**

I have been engaged in archery since 1969 and competitive shooting since 1972. Since 1994 I have been engaged primarily in crossbow archery and hold several records for specific distances; I hold the US record for the clout across all disciplines and unfortunately lost a world record due to an administrative error. I have qualified for the US Crossbow team on 5 occasions. I competed at the world championships in 1996 (Taiwan), 1998 (Hungary) and 2007 (Bloomfield, NJ), where I finished 5th. Archery has opened many doors for me and I'd like to give back and share my experience, knowledge and love for all archery disciplines to others, in particular youth for without an infusion of young archers, the sport will certainly wither and die.

Write-in Candidates must be USA Archery – AZ members:
